Overview of Company

***Guang Xi Guang Ma International Trade Co. Ltd. is
a dynamic and forward-thinking company based
in China***

Established on the 31st of March 2023, we are dedicated to serving the global marketplace through our expertise in international trade, agriculture, import & export, fertilizer distribution, sales agency services, and machinery supply.

Vision & Mission

Driven by our passion for global commerce and unwavering commitment to excellence, our international trade company strives to achieve a remarkable vision and fulfill a compelling mission.

■ Vision

Our vision is to emerge as a global leader in international trade and related services, contributing significantly to the economic development and prosperity of the regions we operate in. We aim to be renowned for our dedication to quality, innovation, and ethical business practices.

■ Mission

Guang Xi Guang Ma International Trade Co. Ltd. is committed to excellence, integrity, and customer satisfaction. Our mission is to be a catalyst for global trade, promote sustainable agriculture, and deliver reliable import and export services. We aspire to be the preferred partner for businesses seeking growth and success in the global marketplace.

Nature of **Business**

Our company is a multifaceted organization with a wide-ranging scope of operations, encompassing the following key areas:

International Trading

We specialize in international trade, connecting buyers and sellers across borders to facilitate the exchange of a diverse range of products and commodities.

Agriculture

In the agricultural sector, we offer a comprehensive suite of products and services, including agricultural supplies, equipment, and solutions aimed at enhancing agricultural productivity and sustainability.

Good Import & Export

We are a trusted source for high-quality fertilizers, delivering solutions that contribute to improved crop yields and soil health.

Fertilizer Distribution

Our company specializes in the distribution and sale of high-quality fertilizers to enhance crop yield and soil health. We offer a range of fertilizer products tailored to the specific needs of our clients.

Nature of **Business**

Our company is a multifaceted organization with a wide-ranging scope of operations, encompassing the following key areas:

Sales Agency Services

As sales agents, we represent manufacturers and suppliers, promoting and distributing their products effectively in the markets we serve.

Machinery

We provide machinery solutions to various industries, including agriculture, manufacturing, and construction. Our machinery offerings are designed to meet the demands of modern businesses and enhance their operational efficiency.

Our **Core Value**

Our core values are the guiding principles that underpin every aspect of our company's operations

1 Integrity

We uphold unwavering standards of honesty, transparency, and ethical conduct in all our interactions and transactions.

2 Customer-Centric

Our customers are central to our business, and we are dedicated to delivering outstanding value and service to them.

3 Innovation

We embrace innovation and continuously explore new ideas and technologies to remain at the forefront of our industries.

4 Sustainability

We are staunch advocates of sustainability, promoting environmentally responsible practices in all aspects of our operations.

Thank You!
